

It was with immense enthusiasm that the SEOC, the AMOC, the SOFA and the SCTF Belgium created together, in September 2016, an International Association called “EurOCA”.

In the spirit of respect and loyal friendship toward the Board Members of the “OSTEOPATHIC CRANIAL ACADEMY” and the “SUTHERLAND CRANIAL TEACHING FOUNDATION” -- who teach OCF (Osteopathy in the Cranial Field) in the USA -- our “ACADEMIE EUROPEENNE d’OSTEOPATHIE CRANIENNE” wishes to provide a link for those who have not yet had the opportunity to travel to the United States for OCF training.

Our pedagogic and scientific mission will be entirely “traditional”, in continuation of the approach of Dr. A.T. STILL, MD, Dr. W.G. SUTHERLAND, DO and all the other “Elders” who have shaped us all.

The Board of the EurOCA is composed as follows:

President:	Daniel RONSMANS, DO (UK)
Vice-President:	Maurice BENSOUSSAN, MD, DO, FCA
Secretary:	Emmanuel ROCHE, DO
Directors:	Sheila BRENNAN, DO, Danny DEBOUVER, DO Christian DE BRABANDERE, DO, Tom DE LILLE, DO Pierre DUBY, DO (UK), Eric HUPET, DO, Luc LECOQ, DO
